AFTERMARKET RECYCLING SERVICE POLICY

1. A TPMS Sensor Recycling Form can be obtained by contacting Schrader’s technical support:
 - a. Hotline number (toll free): 00800-5555-8767
 - b. Email address: Schrader-TechSupportEU@Sensata.com

Schrader reserves the right to refuse acceptance of any parts returned for recycling which have not been manufactured by Schrader (or any other entity part of the Sensata group) or are not Schrader TPMS related. Schrader also reserves the right to refuse parts with no electronic content for example, including but not limited to, mechanical tool, scrap TPMS valves.

2. Schrader TPMS parts returned for recycling must be sent to following address only:

Schrader International GmbH
 Gadastrasse 23A Logicpark Bergkirchen (BT I)
 85232 Bergkirchen, Deutschland

3. Schrader TPMS parts returned for recycling are returned at the customers own cost/expense, including but not limited to, shipping costs. Please note that any Schrader TPMS parts returned to any address other than that stated above or without a correctly completed TPMS Sensor Recycling Form will be rejected and returned by Schrader, at Schrader’s discretion, and at the customer’s own cost/expense, without any further verification.
4. Schrader provides this service on a voluntary basis and reserves the right to amend or cancel this service at any time without prior notice.
5. For all other matters not specifically set out in this document the terms and conditions of Schrader International GmbH shall apply.
